

IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF ARKANSAS
CENTRAL DIVISION

UNITED STATES OF AMERICA

PLAINTIFF

v.

No. 4:19-cr-249-DPM

BERNARD COOPER
Reg. No. 25161-075

DEFENDANT

ORDER

Cooper moves to reduce his sentence based on amendments to the Sentencing Guidelines. When he was sentenced, he received two criminal history status points because he was in prison when he committed his new crime. He would receive only one status point under the amended Guidelines. Cooper is now in criminal history category IV. When he was sentenced, his advisory guideline range was 24-30 months. It is now 18-24 months.

While his advisory guideline range is lower, Cooper's motion for a reduced sentence, *Doc. 32*, is denied. The Court already varied down from his old guideline range and imposed an 18-month sentence. All material things considered, the sentence imposed was the just and fair sentence in his case.

So Ordered.
